High performance kits with the industry's best warranties.

Premium No-Ream King Pin Repair Kits

Steer King offers a specialized solution for heavy duty truck maintenance with a focus on quality, efficiency, and customer support. Our no-ream king pin repair kits stand out in the market for their ease of installation and long-lasting performance, providing significant value to our customers.

The highest-quality king pin repair kits for heavy-duty trucks.

Our kits include precision machined parts for a true fit and long-lasting performance.

No-Ream Steel Spiral Kits

- Easy install.
- Maximum wear resistance.
- Three-year warranty.

T-Handle Bushing Installation Tool

No-Ream Bronze Kits

- More grease.
- Longer life.
- Two-year warranty.

Bronze Bushing and Seal Driver Tool

Steer King products are engineered to be long-lasting and are known for hassle-free installation, which saves time and boosts productivity for both shops and truck owners.

Steer King™ is an ATRO® brand. Our parts backed by the industry's best warranties and they're built with pride in St. Clair, Missouri by a team who cares about delivering a quality product for you.

We've engineered these industry-leading features into every king pin kit so every mechanic can get a great result and a fast, easy installation.

1. Kit Box and Tray

The best box in the business keeps getting better.

2. Bi-Directional Lip Seals

Lip seals install fast—in either direction.

3. Pre-Packed* Bearings

Saves you the effort—and 10-20 minutes per install.

**Note: Mack bearings are not pre-packed.*

4. Grease Grooves On All King Pins

Optimize lubrication on the king pin assembly.

5. Spare Parts

High quality spares keep you up and running.

6. Proprietary Manufacturing Process

Better bushing to pin interaction = longer parts life.
