# PRODUCT Announcement

 **ATRO®** is an ISO 9001 Registered Manufacturer of Polyurethane Components for the Heavy-Duty Suspension Industry

## LP50-24179 Bolster Spring Kit

**Application:** Hendrickson Haulmaxx (all models)

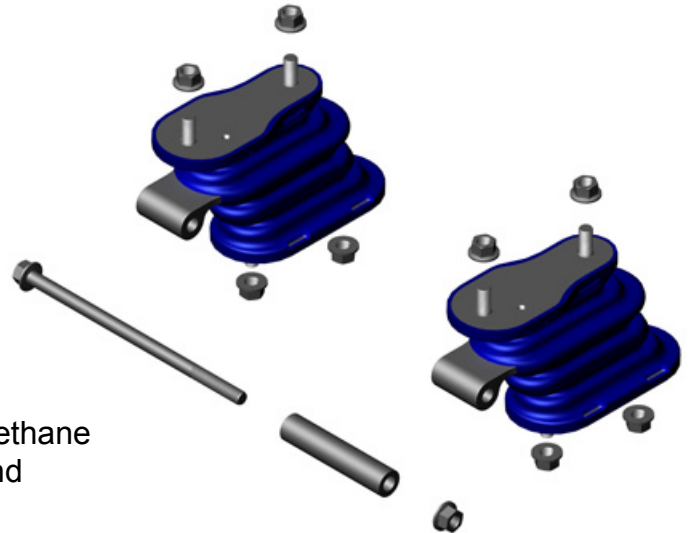

**Cross-reference:**

Hendrickson	64179-037
Automann	MLC5
Dayton Parts	334-1845
Euclid	E-14044

**Kit Contains:** (2) Bolster Springs  
(1) Spacer  
(1) Flange Bolt  
(9) Flange Nuts

**Quantity Per Vehicle:** 4 kits (=8 pads)

- Features:**
- Mechanical bond between polyurethane and plates provide improved bond strength
  - High strength polyurethane
  - All hardware is Grade 8

**Warranty:** One year warranty when only bolster springs are installed. Must replace bar pin end bushings, torque rod bushings and all bolster springs for three (3) year warranty on bolster springs.

If less than 8 bolster springs are installed at the same time, warranty is void

ATRO Bolster Springs must never be used in conjunction with other bolster spring makes, doing so will void the warranty.

ATRO is not liable for any errors herein. All manufacturers' names and part numbers used are trademarked by the respective manufacturer. These names and part numbers are being used without permission. No endorsement, affiliation or recommendation is implied. They are included for reference purposes only. Some products shown here are covered by Canadian Patent 1,327,979; Australian Patent 630,358.
