KING PIN REPAIR KITS**

ATRO warrants the parts contained in ATRO No-Ream King Pin Repair Kits to be free from defects in material and workmanship, under normal use and maintenance for a period of **3 years for the SKS Spiral Kits** and **2 years for the SKB Bronze Kits**, from the date of installation. This warranty shall be limited to replacing or allowing credit for the parts contained in the King Pin Kit provided that notice and proof of defect is promptly given. This warranty does not apply to damage or to defects in any parts contained in the King Pin Kit caused by misuse, neglect, accident, incorrect installation, alteration or repair.

THIS WARRANTY AND THE MANUFACTURER'S OBLIGATION HEREUNDER IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE, AND ALL OTHER OBLIGATIONS OR LIABILITIES, INCLUDING SPECIAL OR CONSEQUENTIAL DAMAGES.

ATRO shall not be liable for any claim in excess of the purchase price. ATRO shall not be liable for indirect, consequential, losses or damages of any kind.

**WARRANTY IS VOID IF NON-STEER ATRO ARE USED IN ATRO KIT INSTALLATIONS.**

All parts returned under warranty must include the RMA Form and complete maintenance history and information of the vehicle from which parts were removed for SERVICE ANALYSIS prepaid to: **ATRO-6 Bolte Lane-St. Clair, MO 63077**. Items approved as defective under terms of the warranty will be replaced. All claims will receive a SERVICE ANALYSIS report. Please contact your Sales Rep to request an RMA Form. This form must be filled out and included with the returned parts along with all required information.

## **RMA POLICY (RETURN MERCHANDISE AUTHORIZATION)**

ATRO recognizes that upon new account approval there is a need to have adequate starting inventory as well as the concern of potentially ordering wrong part numbers in the beginning that result in non-moving inventory.

To ensure new accounts can avoid overstocking non-moving items, ATRO has created the below One Time Opening Order Return Policy and the Annual Parts Return Policy.

**To request an RMA** for the return and evaluation of any parts or kits under warranty, in the opening order, or as an annual return please call your sales rep or call Customer Service direct at 1-800-325-6114. To find your sales rep visit us online at [www.ATRObushing.com](http://www.ATRObushing.com)

### **One Time Opening Order Return Policy:**

During or at the end of the first year, ATRO will accept a one-time return of all non-moving products on a 1:1 offsetting basis in exchange for product kit #s that account is actively selling. 1:1 means that the dollar amount of the returned kits must be met at a minimum with the offsetting order.

### **Annual Parts Return Policy:**

- Any returns after the first year will be included in this Annual Parts Return Policy.
- Annual returns should be no more than 2% of the previous year's purchases.
- The request must include a 2:1 offsetting order. 2:1 means that a new order must be made for at minimum double the dollar amount of the kits being returned. For example: a \$100 return should be met with an offsetting order of \$200.
- All kits/parts must be in re-sellable condition or limitations and restocking fees may apply.
- Parts not accepted: obsolete / discontinued / not listed on price sheet.
- Shipping cost of the return is the responsibility of the distributor account.
- Returns should be initiated through the local sales rep and should include a list of the parts requested to be returned along with a request for an RMA #. Once the list has been reviewed & approved, an RMA # will be issued for the return of the parts showing the correct dollar amount.
- Once the parts have been received and inspected and the offsetting order has been received, the distributor account will be credited.
